Facility Use Consent Form
Facility Usage Regulations and Agreement

◆ Day nursery facility usage regulations

To ensure the safety and well-being of your children, please read and review the following guidelines before signing and submitting this form.

① Child Drop-Off: When dropping off your child, we will conduct a brief health check, including a review of their clothing, to assess their physical condition.

② Health and Safety Policy: We reserve the right to decline childcare services if a child shows symptoms of illness, an infectious disease (such as chickenpox, measles, or rubella), or for other unavoidable reasons.

③ Authorized Pick-Up: For the safety of the child, the same individual should drop off and pick up the child each day. If another person will pick up the child on your behalf, please inform us in advance.

④ Emergency Contact Protocol: We will contact the designated emergency contact listed on the nursery care report in the following situations:

- If more than 15 minutes have passed since the scheduled pick-up time
- If the child becomes ill (defined as a body temperature of 37.5° C or higher)
- If symptoms are severe, we may contact the emergency contact and, if necessary, seek medical assistance for the child.

⑤ Emergency Procedures: In the event of an emergency evacuation due to fire, earthquake, or other incidents, our staff will respond appropriately in accordance with the disaster prevention guidelines established by Tokyo International Forum.

⑥ Food and Drink Provision: Parents are responsible for providing baby bottles, milk, drinks, and baby food. To ensure safety, please refrain from bringing perishable items.

⑦ Liability: In the unlikely event of an accident, the nursery facility assumes no liability unless the incident results from intentional or gross negligence.

[Agreement form]

I have read and fully understand the day nursery facility usage regulations outlined above.
